

Employee Information

Why select Local Government Appointments

- ✓ Local Government Appointments specialises in the provision of recruitment services to Local Government. We provide permanent placement services, temporary appointments and contract professional and technical Staff throughout New South Wales, Queensland and Western Australia.
- ✓ We cover the full range of Local Government activities from executive management to engineering to field positions.
- ✓ We have corporate membership of the Recruitment and Consulting Services Association of Australia and proudly apply the RCSA Code for Professional Conduct to ensure our practices are always of the highest standard.
- ✓ We have established strong working relationships and are highly respected by our Clients within Local Government.

What do temporary / contract assignments mean

- ✓ Councils will contact Local Government Appointments requesting a temporary or contract Employee to cover periods of leave or to assist with extra workload or a specific project.
- ✓ Local Government Appointments is your Employer while you are on assignment at a Council, thus you are paid by Local Government Appointments and your superannuation and workers compensation (excluding Contractors) are covered by us.
- ✓ If your assignment is in a regional area away from home, most Councils will provide you with accommodation for the length of the assignment and cover your travel expenses at the beginning and end of the assignment.
- ✓ If you are looking for permanent employment within Local Government, obtaining a temporary or contract assignment can be a great starting point. You will:
 - Increase your knowledge and skills within a Local Government environment;
 - Gain exposure to different working environments and opportunities within Local Government;
 - Acquire a Local Government referee for each assignment you complete;
 - Potentially have the opportunity to apply or be considered for permanent positions within the Council;
 - Be given priority attention by our Consultants for any future assignments that become available.

How long are the assignments

- ✓ Assignments can vary from weeks to months, depending on the needs of the individual Council and this will be discussed with you prior to your details being conveyed to Council.

You select your assignments

- ✓ We will match your skills, interests and career objectives to positions which become available through Local Government Appointments. We will contact you when a suitable position is listed with us and provide you with the details of the assignment. It is your decision to have your details provided to the Council.

How much will I get paid

- ✓ This will depend on your skills and experience, the position requirements, market demand and the location. We discuss remuneration with you at your initial interview and also when you are contacted for assignments.

How do I register

We will require you to provide us with a recent copy of your resume detailing your employment history and dates, skills, qualifications, licences and referee details along with an outline of the type of positions you are seeking, locations and salary expectations. Our contact details are on the back page of this brochure.

Local Government Appointments adheres to the Privacy Act and will ensure your privacy and confidentiality are maintained at all times.
